**Message from the OSA Chair**

Dear Alumni

February has seemed to fly by and March is on our door step. With it, it brings our London dinner, where spaces are still available, as well as the start of the Easter Sports festival. This year, being the schools' 60<sup>th</sup> birthday and the 30<sup>th</sup> year of the Easter Festival, promises to be an amazing 3 days. With amazing teams and a number of different sporting codes, this is going to be a great way to spend Easter.

This year will also see a large focus from the Association in driving the activities of the Old Stithian Trust and how we can create a facility to help grow the school. Our key projects which we are looking to undertake, are the grassing and lighting of the field next to the Higher Ground, the building of a multi purpose indoor centre next to the Higher Ground conference room, and the continued support for bursaries for children of Alumni. We all know the pressure that the economy is putting on people and that every mail you open comes with a request for donation.

Unfortunately those are the times at hand, however, if we as an Alumni ever hope to begin changing the face of our school, we will need to start getting involved in making a difference. It doesn't always have to be about money, it can be time or a discount on services or materials. I welcome anyone who would like to get involved in any of the Trust projects to contact me and see how we can shape the future of our school. If we ever hope to grow to the extent of some of our College peers, we will need our Alumni to be part of that change. Please feel free to contact me at any stage if you would like more information.

I look forward to seeing you soon and the next club draw and at the Easter Festival.

**Kind regards**

## APPEAL

### Memories & Photos - OSA History for 2013

As part of the preparations for the schools' 60th anniversary in 2013, we are putting together an extensive history of the OSA to be included in the information. We are looking for any history of the OSA, from our first OSA Chair in 1959, right through to today, so that we can compile an accurate account of our journey so far. Please help us with this initiative by sending anything you might have to Susannah at [alumni@stithian.com](mailto:alumni@stithian.com), including:

1. Major events
2. People who have excelled in:
  - a. Sport
  - b. Business
  - c. The arts, including acting and performing singing and song writing
  - d. Social entrepreneurship
3. Memories and photos of:
  - a. The 'porta cabin'
  - b. The first One & All clubhouse
  - c. Sports teams
  - d. Dinners
  - e. Easter festivals
4. Any other facts or stories of interest that we can use to tell our story.

We have such an amazing opportunity to write our history into the record books of the school. Please feel free to send any information about Old Stithians who are overseas as well.

**Please send your new e-mail address  
details to [alumni@stithian.com](mailto:alumni@stithian.com)**

## Old Stithian News

From Left : Lloyd Bemelman, Dave Knowles (Boys' College Head)

**Lloyd Bemelman (2005)** of Tuks won the Silver Sprint Race at the Buffalo Regatta on Sunday 17 February 2013. This highly prestigious sculls race was started in 1881.

**Ben Corbett (2012)** is working in the UK for a church at the moment on a volunteer internship and serving in various parts of the Church whilst receiving part time theological training. He will then hopefully be going off to university in September. He is very sad that he won't be there for the 60 year festivities!

Read “**St Stithians College : 60 Years Old - blog by Stephen Hayes (1958)**”

<http://ondermynende.wordpress.com/2013/01/27/st-stithians-college-60-years-old> - An extract : “*Sixty years ago today the first pupils arrived at St Stithians College, in Johannesburg, South Africa. St Stithians was a new Methodist Church school, established as a result of a bequest by two Cornish builders who had prospered in Johannesburg – Albert Charles Collins and William Mountstephens. The school took its name from the village of Stithian in Cornwall, where A.C. Collins was born. After the selection of a suitable piece of ground and the erection of the first buildings, the school was ready for its first classes to begin on 28 January 1953, and boarders were told to arrive the evening before.*”

**Mark Henning, former Boys' College Head** and prominent in South African schooling and a former vice-president of the World Confederation of Private Education, uses the voices of outstanding teachers to show how the best schools in the country, public and private, continue to inspire young people through a myriad of activities and interactions, from pre-school to Grade 12 in his book “**Zest**”. Copies are available from Exclusive Books at R135, or from Mr Henning at R100 each. Email: [TBrooks@stithian.com](mailto:TBrooks@stithian.com). You can also read more on Mr Henning's blog page <http://saintshenning.wordpress.com> where he is posting many more stories he couldn't include in his book.

## In Memoriam

Please keep the following families in your thoughts and prayers as they mourn the loss of their loved ones :

On behalf of the Old Stithian Association, we would like to express our sincerest condolences to **Mr Mark Henning, Roger (1979), Peter (1988) & Tessa and their families** on the passing away of **Sheila Henning** on Friday 15 February 2013, after a long illness. Sheila was married to Mark for 52 years of which 20 were spent at St Stithians, where Mark was the third Head of the Boys' College from 1969 to 1988. The funeral took place on Thursday 21 February at the St Stithians Chapel. Two of Mark and Sheila's grandchildren (Tessa's sons) Andrew & Craig Hellens are currently in the Boys' College.

**Ronnie Everest (1962)** died on 16 December 2012 in Australia of a terminal lung disease. He emigrated a number of years ago to be with his only daughter Candice, and granddaughters Samantha and Catherine. **Bill Moir (1962)** described him as a modest, caring and gentle individual who was everyone's friend.

### Crusaders Football Club

The Club is the Football Section of the Old Stithian Association and is open to boys and girls from **Grade 0** to **Grade 12**, as well as to **Men** and **Ladies** of all ages.

Official Club Training will commence from **Monday, 4 March 2013**.

### Crusaders Running/Walking Club

Welcome to the start of a year filled with many diet dreams, training regimes, action plans, New Year resolutions etc. I hope that your goals, plans and dreams for a healthier year are achieved. I have collected 100 (2013) licenses (R200 per license). Please contact me for the registration form and payment details.

#### Time trials:

We still have them scheduled for Wednesday evenings starting at the Higher Ground (St Stithians' Property) at 5:15pm. Hopefully we can start rejuvenating a commitment to meet as members and at least start together. As mentioned, I will hold on to the 100 licenses until end of Feb. Any licenses not sold will then be returned to ASA so we avoid the costs for them. Members who want to join after this time period would have to collect licenses from Germiston themselves. Please assist me in selling off the licenses; our young club needs members and the fees so that we can take it out the infancy stage and into the toddler age group. Let's grow this club together. As always I am extremely grateful and appreciative to the members who have been loyal throughout the three years. Let's promote our club and release all of the licenses.

## Old Stithian Trust

Trustees : Lee Astfalck, Colin Smith, Clive Douglas, Shaun Edmeston  
Master IT No : 423/2012

Dear Alumni

It gives me great pleasure to present to you the **Old Stithian Trust**. Launched on 2 June 2012, the Trust will seek to raise funds which can be channeled into the school for the betterment of all learners across the campus. The Trust already has over R2 million pledged towards projects in the school and will look to grow this number by donations from our membership. As a fairly young school, the comparison between us and the some of the other schools in South Africa is perhaps unfair, however, it is no secret that these schools have access to significant funds raised through their Alumni, which are then channeled into the school for various forms of development.

**Thanks to the kind donations of Carel Nolte (1991) (initial donor), Craig Warriner (1982) (R500 000/ year for 10 years) Mike Ralston (1978) (1 bursary per year) and Colin Smith (1970), the Trust will without doubt be able to make an impact in the St Stithians' community.**

The Trust itself under the guidance of the trustees will focus on:

- Financial support for the children of Alumni
- Improvements to the college, its facilities and new development projects
- Learner support for academic, sporting or cultural excellence
- The Thandulwazi Trust

As part of the Trust's ability to collect funds, we have created three channels for donations:

- Bequests from deceased estates
- Once-off donations to the Trust
- The 100 club, which is monthly debit order donations of, but not limited to, R100.

The Trust will run fully audited financials, available on request and will give monthly updates, through this newsletter on any dispersed.

As an Alumni, we stand at the point where we have an opportunity to do something great for a school that gave us so much, an opportunity to ensure the sustainability of the College as well as be a support network for other Alumni and children who may not have had the same opportunities as we have had. We also have an opportunity to make a difference in the future of the school, to take it to new heights and truly give to One and All.

Please find a Pledge Form on the next page. Should you require any further information, please feel free to contact me.

Congratulations to our 1st XI Cricketers who won the Johnny Waite 20/20 final which ensured that they went through to the final of the Lions Franchise Knockout Competition played in Potchefstroom. In this match Saints scored 176 to which Potch Boys High replied with 110 all out. Ackerman (man of the match) took 2/20 and Stanger 2/18. Well done to our cricketers on this fine result. This is the first time since 2006 that Saints has won the Johnny Waite Final. The team then went on to represent the Lions in the national finals in Stellenbosch over half-term and their opponents were Hudson Park (EP Warriors), Rondebosch (WP Cobras), Westville (KZN Dolphins), Waterkloof (NP Titans) and St Andrews Bloemfontein (FS Knights). They unfortunately did not make it through to the finals on Sunday at Newlands.
